

## Osram Sylvania Quick 60+™ Combination Lamp and Ballast System Limited Warranty

Osram SYLVANIA Products Inc. ("OSPI") warrants SYLVANIA lamps installed on QUICKTRONIC ballasts to be free from defects in material and workmanship and to operate from the date of installation (or date of manufacture if installation date is not known or available) for the time periods specified below. If lamps fail to operate for the warranty period, OSPI will provide a free replacement lamp (but no labor allowance). If a QUICKTRONIC ballast fails to operate within the warranty period, OSPI will provide a free replacement ballast and labor allowance, contact Osram SYLVANIA for details.

- QUICKTRONIC® Ballast 60 months
- ICE ICETRON™ Lamp 60 months

\*Please Note that warranty periods are based on typical 4000 hr/yr operation; other operating cycles may affect warranty periods, Lamp portion of warranty renews when installation is group re-lamped. Contact Osram SYLVANIA for details.

## Terms and Conditions

SYLVANIA lamps and QUICKTRONIC ballasts must be installed together as a system and be installed and operated under suitable environmental conditions and in accordance with the latest National Electrical Code, Underwriters Laboratory Bulletins, and ANSI Specifications. This warranty will not apply in the event of conditions demonstrating abnormal use or stress, such as operating temperatures in excess of maximum rated temperatures, under/over voltage conditions, excessive switching cycles r operating hours, dirty or cracked sockets, or improper lamp or ballast installation. Replacement of SYLVANIA lamps with lamps of other manufacturers will void the lamp portion of this warranty. Replacement of the QUICKTRONIC ballast with any other ballast will void the entire warranty.

## Philips QL Induction Lighting System Warranty

This warranty certifies that the Philips Lighting Company QL Induction Lighting System will perform satisfactorily.

Philips Lighting Company warrants the QL system as follows:

- Any QL system which will not operate when received will be fully credited.
- In addition, any QL systems which fail to operate within a 5 year period will be fully credited.

This warranty is effective provided adequate records of operating history are kept and that QL systems are operated properly. QL systems must be made available for inspection and verification of defects by Philips Lighting Company.

This warranty is exclusive and in lieu of all other warranties including any warranty of merchantability or fitness for a particular purpose.

The liability of Philips Lighting Company under this warranty shall be limited to the replacement of QL Systems for credits as noted herein. In no event shall Philips Lighting Company be liable for any special, indirect, incidental or consequential damages.

\*Please note that this warranty specifically applies to *Philips QL Induction* lighting system. Any other QL lighting systems (such as *Tungda* by *Sirius*) are subject to their own warranties.
